To

M Venkatanaranappa, Esq., B A,
Secretary to the Government of Mysore,
Development Department, Bangalore

SIR

I have the honour to state that in the case of metal and gravel collected for road works in the District Boards and Municipalities a deduction of one-tenth height for metal heaps and one seventh for gravel heaps is being made to compensate for the hollows and voids according to G O No L 2067-84-Ml 66-32-267 dated 16-9-1933 This is based on the practice obtaining in the Public Works Department as per Chief Engineer's circular orders As there was no similar rule applicable in the case of boulders and rough metal, the Chief Engineer, at the instance of this office, has issued a circular to all the Executive Engineers that in the case of these materials also a deduction of 20 per cent should be made for voids Government have already ordered that the rule regarding gravel and metal heaps should be extended to Municipalities and District Boards in G O No L 2067-24-Ml 66-32-267 dated 16-9-1933 As it is desirable to extend the rule regarding boulders and rough metal also to all District Boards as well as Municipalities, I request that orders of Government may be kindly obtained and communicated to extend the rule to these Local Bodies A suitable correction slip to the District Board Account Manual and Municipal Account Manual will be issued on receipt of Government orders

I have the honour to be,
Sir
Your most obedient servant,

A N Raghavachar
